Completion of this Questionnaire is required in the application process. We expect that this questionnaire may take 20-30 minutes to complete. Please fully answer the questions. Completed Questionnaires are submitted to the Office of Admissions and will become a confidential component of your application to the Associate in Science Degree in Nursing Program at River Valley Community College. Application materials must be at the College by December 31 prior to the fall semester of which you are applying. Thank you for your application. We look forward to getting to know you and helping you with your nursing program application.

**Health Records:** During your nursing school application, we recommend that you keep an unofficial copy of your transcripts for yourself, copy of LNA or LPN NH license, copy of CPR card, medical insurance card and copies of all documentation of your required health immunizations.

**Work Advisement:** Students are advised to work no more than 20 hours per week throughout the nursing clinical courses. Nursing courses require 22 hours per week of direct involvement on campus or clinical and we recommend study time of 20 hours per week in addition. The program highly advises that students work no more than 24 hours per week to properly attend to the learning objectives of this program.
