100% On-Line Courses

100% online courses at RVCC give you access to the same courses, and many of the same faculty, but at times and locations that are most convenient to you. The engaging interaction between instructors and students takes place through a secure website. Unlike a traditional class on the college campus, you can enter your cyber classroom any time and any place - you just need access to the internet. (High speed internet may be required for some 100% online courses. Please contact the faculty by email to see if high speed internet is required for your course.) Online classes give you the freedom to get your college degree and courses in a way that fits your schedule and does not get in the way of the other demands in your life. It saves travel time, gas money, & you can experience all the benefits of a regular classroom from the comfort of your home.
