FALL SEMESTER 2021

CREDIT COURSE SCHEDULE

AUGUST 30 - DECEMBER 18, 2021 (11-week Late Start: October 11-Dec 18, 2021) (Dec Grad Date: 12/22/21)

(Courses run full semester unless otherwise noted by course title.)

Prerequisite Course(s)/Accuplacer Testing: Some courses have prerequisite course(s) or minimum Accuplacer test scores (indicated above course title). If you did not have the prerequisite course(s) or testing at RVCC, please submit a copy of your grade report or Accuplacer test scores from other institutions, showing successful completion. Information to arrange Accuplacer test dates can be found on the College website: <http://www.rivervalley.edu/academics/testing-assessment>.

Textbooks: Information on required/recommended textbooks for courses, including ISBN numbers and prices, will be posted on the College Bookstore website: <http://www.rivervalley.bkstr.com>. If you see a "(NOLO)" designation next to a course title it means the materials for that course are No or Low Cost.

Late Start Courses: If you are enrolled in a late start course, your financial aid may not disburse until enrollment for the class can be confirmed. Please contact the Financial Aid Office if you have any questions.

Billing, Schedules, and Grades: Tuition and fees are due two weeks prior to the first day of the semester. RVCC does not send paper bills or schedules. Upon registration, you are enrolled unless otherwise notified. No confirmation will be mailed. Classes are subject to change. Students need to check the RVCC website: <http://www.rivervalley.edu>; select Student Resources and Student Information System (SIS) for their E-bills, schedule, classroom location(s), grades, financial aid information, student email account, etc.

100% Online Courses: Courses that are offered 100% online provide access to education at a time that is most convenient to you. You will participate in a class with other students and your instructor. All classes provide the same quality of education that you would receive in the classroom. You can "attend" class at home or at any location that has a high-speed internet connection. The computer labs at RVCC in Claremont, Keene, and Lebanon can also be used for your online education. You can learn about CANVAS through the CANVAS Student Guide at <https://community.canvaslms.com/docs/DOC-10701>. An online class that is "synchronous" means you can log in from any location with internet access to participate in the class at the same time as your classmates. A microphone, speakers and camera may be needed. All classes at RVCC, whether online or in the classroom, will use CANVAS - our Learning Management System - to post syllabi, announcements, and other information. Do you want to learn more about online learning? Or is this your first online course? You can find more information here: <https://www.rivervalley.edu/current-students/online-resources/>
