

Welcome to your CCSNH Student Assistance Program (SAP)!

Kepro SAP provides the following **free services** to all students.

- **24 hours a day, 7 days a week, 365 days a year confidential counseling and support.** Any time of the day or night, weekends, and holidays, you will be able to reach a Student Assistance Program professional who will provide a plan of assistance, which includes problem assessment, education, information, and assistance with initial crisis management. SAP offers counseling sessions with licensed mental health professionals in your local area. All discussions between you and your SAP professional are confidential.
- **Online and mobile access to resources and referrals.** The SAP website and mobile app allows you to connect to a robust offering of childcare, eldercare, and daily living resources in addition to other useful information and self-assessment tools.
- **Legal and Financial consultations.** You can schedule a free, first-time consultation (up to 30 minutes) with an attorney or financial consultant on a variety of legal and money management concerns.

From time to time, everyone experiences situations that affect their general wellbeing. The CCSNH SAP is a resource to help students be successful at meeting their responsibilities and creating solutions that allow you to be healthier, happier, and more productive. This is a free, confidential service available to you 24 hours a day, 365 days per year.
