Withdrawal in SIS

- Depending on course length, the drop period is the first day(0-13 day course), first week (2-weeks to less than 15-weeks course) or first two weeks (15-week+ course) of the course's term for a full refund.
- Submitting a Drop in SIS during the drop period will initiate a refund and will cause the course to not show up on the transcript.

Drop in SIS

- After the refund period and before the 60% point of the course's term students may withdraw. No refund will be issued.
- Submitting a Withdrawal in SIS during the withdraw period will cause the course to show up on the transcript with a grade of "W" which does not impact GPA.

- Students wishing to withdraw after the 60% point in a course's term may submit a Withdraw Pass / Withdraw Fail Form to their instructor who will administer a WP or WF and send the form directly to the Registrar's Office for processing.
- A WP will not impact GPA. A WF **WILL** impact GPA in the same way an earned F would.
