COMPLETE STEPS ON PHONE

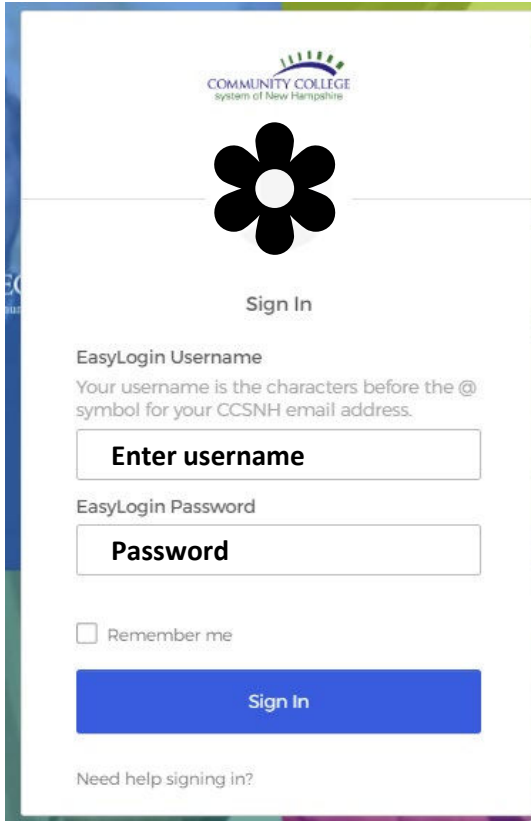

Setting Up Multifactor Authentication

Green circle with white check mark means successfully setup

Step One: Okta Login

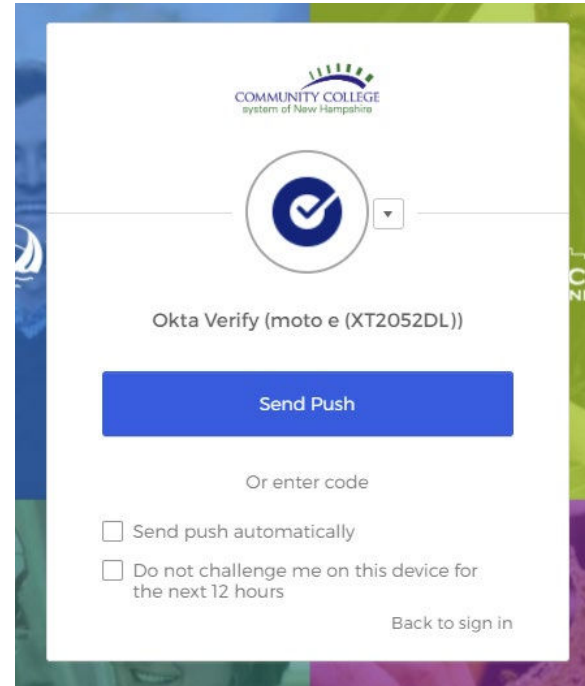

No change

The login page features the Community College of New Hampshire logo at the top. Below it is a large black flower icon with the text "Sign In" underneath. The "EasyLogin Username" section includes a description: "Your username is the characters before the @ symbol for your CCSNH email address." and a text input field labeled "Enter username". The "EasyLogin Password" section includes a text input field labeled "Password" and a "Remember me" checkbox. A blue "Sign In" button is at the bottom. A link "Need help signing in?" is at the very bottom.

Step Two: MFA

New Step

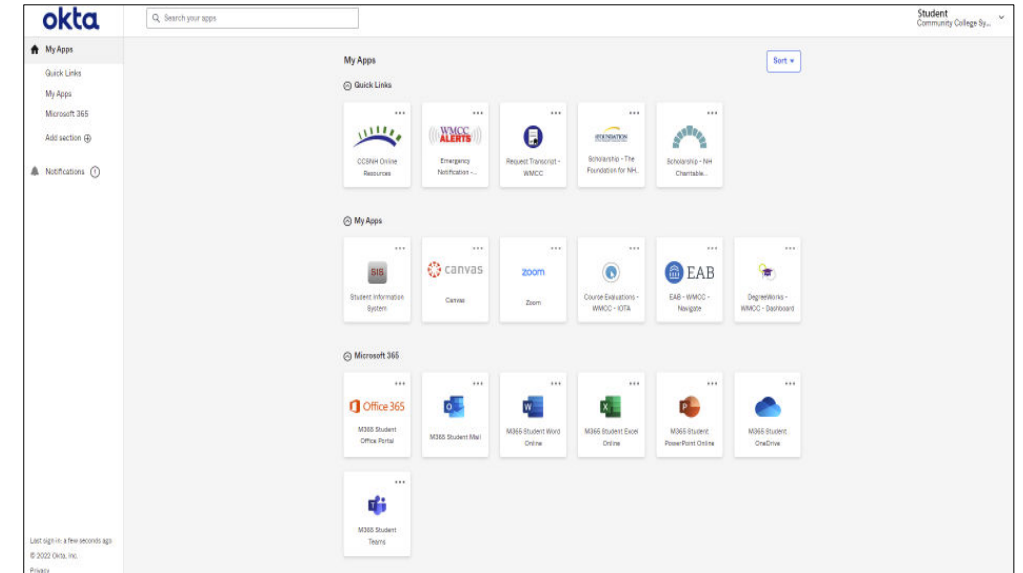

The MFA screen shows the "Okta Verify (moto e (XT2052DL))" interface. It features a blue "Send Push" button. Below the button, there are two checkboxes: "Send push automatically" and "Do not challenge me on this device for the next 12 hours". A "Back to sign in" link is at the bottom right.
