## FALL SEMESTER 2022

### CREDIT COURSE SCHEDULE

**AUGUST 29 - DECEMBER 17, 2022 (11-week Late Start: October 3-Dec 17, 2022) (Dec Grad Date: 12/21/22)**

**(Courses run full semester unless otherwise noted by course title.)**

**Prerequisite Requirements:** Some courses have prerequisite course(s) or minimum test scores (indicated above course title). If you did not have the prerequisite course(s) or testing at RVCC, please submit a copy of your transcript or test scores from other institutions, showing successful completion.

**Textbooks:** Information on required/recommended textbooks for courses, including ISBN numbers and prices, will be posted on the College Bookstore website: <http://www.rivervalley.bkstr.com>. If you see a "(NOLO)" designation next to a course title it means the materials for that course are No or Low Cost.

**Late Start Courses:** If you are enrolled in a late start course, your financial aid may not disburse until enrollment for the class can be confirmed. Please contact the Financial Aid Office if you have any questions.

**Billing, Schedules, and Grades:** Tuition and fees are due two weeks prior to the first day of the semester. RVCC does not send paper bills or schedules. Upon registration, you are enrolled unless otherwise notified. No confirmation will be mailed. Classes are subject to change. Students need to login to the Student Information System (SIS) for their E-bills, schedule, classroom location(s), grades, financial aid information, student email account, etc.

**Course Offering Options:** In addition to traditional face-to-face class meetings, RVCC offers courses in a variety of modalities to meet student needs. Asynch. Online courses have no scheduled meeting times. Synch. Online courses meet at designated times through Zoom. There is also a selection of hybrid options available to maximize flexibility and while offering synchronous opportunities to learn. When courses are listed as Synch. & Asynch. Online, there will be contact hours completed both together on Zoom and separately online. When the course location is listed as a town and Asynch. Online, you will meet face-to-face at the designated times with the remainder of the course taught asynchronously. Hyflex courses allow you to choose to meet in-person or on Zoom, student's choice, during the scheduled meeting times and the remainder of the course is asynchronously online. Please consider technology needs such as strong internet connection, camera/mic/speakers, etc. Additionally, a distraction free environment will be most conducive to learning.
