

Business Management

Gain Valuable Management Skills

Become a Leader

The Career

The Business Degree Program at River Valley Community College consists of a concentration in Business Management. This degree will allow the student the opportunity to enter the workforce, or continue their education and obtain a bachelor's degree or more. Many people currently working in the field of business choose the Business Management concentration to expand their potential for growth in the business workforce. A Certificate in Business Management is also offered.

The Program

Graduates of the program are prepared to:

- Demonstrate knowledge of business practices including Management, Marketing, Human Resources, Accounting, and the applications of these topics in the business environment.
- Think critically, articulate and explain various business topics and apply these concepts to solve common business problems.
- Communicate effectively using written, oral and nonverbal techniques, including the use of technology in the gathering and presentation of information.
- Demonstrate their knowledge of ethics and social responsibility, and how a business integrates this into their ongoing operations.
